## CONSENT TO PHYSICAL/OCCUPATIONAL/SPEECH THERAPY EVALUATION/TREATMENT

I consent to physical/occupational and/or speech therapy evaluation and treatment by a licensed physical/occupational/speech therapist employed or contracted with Physical Therapy Now, LLC.

I can expect the therapist to explain to me the purpose of the evaluation and proposed treatment plan. The therapist will explain to me the expected outcome in addition to the risks that I may encounter from receiving skilled therapy care. I understand that my condition may worsen if I decline to receive treatment.

I also understand that physical/occupational and/or speech therapy treatment does not always provide beneficial results and though unlikely, may even increase my complaints. I am aware that I am encouraged to ask questions and can expect satisfactory responses from the treating therapist.

I have read this consent form and completely understand its contents. The physical/occupational /speech therapist is present to witness my signature of consent.

Michael A. Ricchiuto, MPT - Licensed Physical Therapist

It is the policy of Physical Therapy Now, LLC to accept payment for services rendered from your participating insurance. However, most insurance companies require the patient to pay a co-pay, and/or a deductible. **Per insurance contractual obligations, we are required to collect all payments at the time of treatment unless payment arrangements are made prior to your treatments.** This would be the time to discuss payment arrangements with our staff concerning this policy.

Deductibles and out-of-pocket payments will be billed to your home address. Payment plans can be arranged so that lump sum payments can be avoided. You are encouraged, again, to discuss payment arrangements at the time of the evaluation. You are aware that physical, occupational, and speech therapy copays usually apply per each visit as determined by your specific insurance plan and treatment visits are usually 2-3 times per week per discipline as determined by your treating therapist. Please discuss the frequency of visits with your therapist before the beginning of treatment as you will be responsible for all copays, deductibles and out of pocket money as determined by your insurance company.

At Physical Therapy Now LLC, we are primarily concerned with your health! Therefore, **PLEASE DO NOT** be discouraged from attending your therapy or scheduling future appointments based on payment of co-pays and deductibles determined by your health insurance carrier. Please review your insurance policy to determine possible co-pays and deductibles that your insurance company has pre-determined, and that you may be obligated to pay. We will be more than happy to arrange a payment schedule that will fit your budget.

**My signature below acknowledges that I do understand the above policy and plan of Physical Therapy Now LLC. While understanding this policy, I do agree to pay all co-pays and deductibles determined by my insurance company that are owed to Physical Therapy Now LLC., for evaluations and treatments by this company.**

## APPOINTMENT CANCELATION POLICY

If you are unable to keep your scheduled appointment time, please notify the office by calling within 24 hours of your appointment time. There may be unforeseen emergencies that will prohibit you from calling and that will be taken into consideration by our office if you make the effort to call and explain those reasons at a later time.

It is the policy of Physical Therapy Now, LLC to charge a \$5.00 fee for each patient appointment that was **not canceled** within 24 hours of the scheduled appointment time. The charge will be reflected on your monthly statement as a "missed appointment – not notified".

Physical Therapy Now **CANNOT** keep your appointment time pending until you are able to arrive. We allow only a **15 minute** window for regular scheduled appointments. If you arrive **more than 15 minutes** after your regular scheduled appointment time, that appointment will have to be rescheduled to another date and time.

There will be no fees for therapist canceled appointments. We will make every effort to notify you in advance, if a therapist needs to cancel appointments for the day. We will try to find coverage for all appointments so that your appointment does not need to be canceled or rescheduled.

**\*\*\*\*PLEASE NOTE\*\*\*\* WE DO NOT ACCEPT WALKIN APPOINTMENTS**
